

# Digital Portfolio

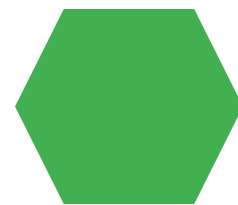

STUDENT NAME:M.Priyadharshini

REGISTER NO AND NMID: 2422k1260 and  
NMID:C91921ED6A9B6929581437AA7F00D811

DEPARTMENT: B.sc(computer science)

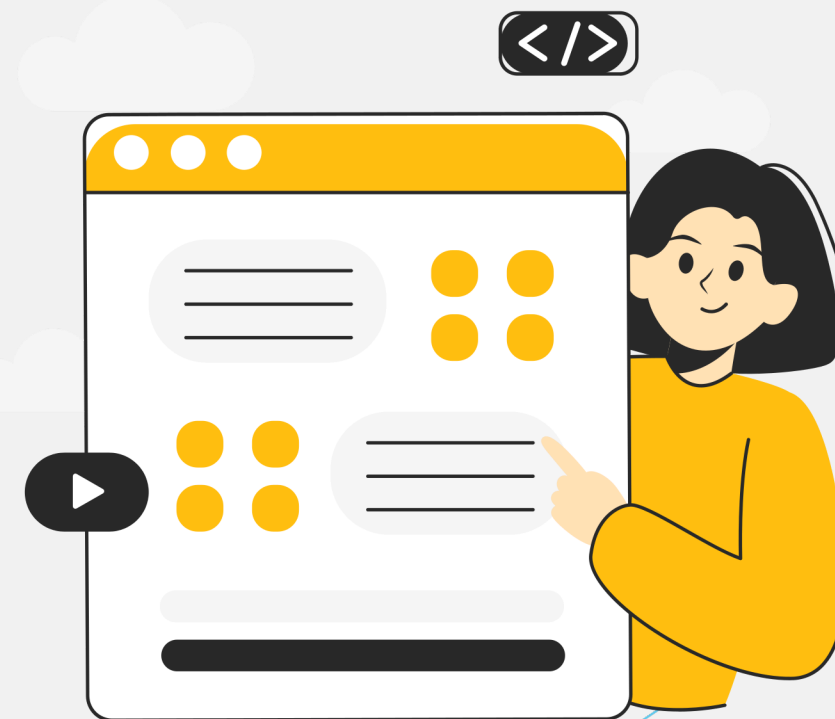

COLLEGE: COLLEGE/ UNIVERSITY:Maharani Art's and science  
College,Dharapuram /Bharathiyar university

# PROJECT TITLE

Student Digital Portfolio  
Featuring  
Web Developer and Designer Skills

# AGENDA

1. Problem Statement
2. Project Overview
3. End Users
4. Tools and Technologies
5. Portfolio design and Layout
6. Features and Functionality
7. Results and Screenshots
8. Conclusion
9. Github Link

# PROBLEM STATEMENT

As a web developer and designer, creating a digital portfolio can be challenging due to the need to showcase skills creativity, and technical expertise effectively. Many struggle to design an engaging, user-friendly, and visually appealing interface that reflects their personal brand. Balancing aesthetics with functionality while ensuring responsiveness and smooth navigation adds to the complexity. The goal is to build a portfolio that attracts potential clients or employers and leaves a lasting impression.

# PROJECT OVERVIEW

Goal: Showcase professional skills And **Attack** opportunities

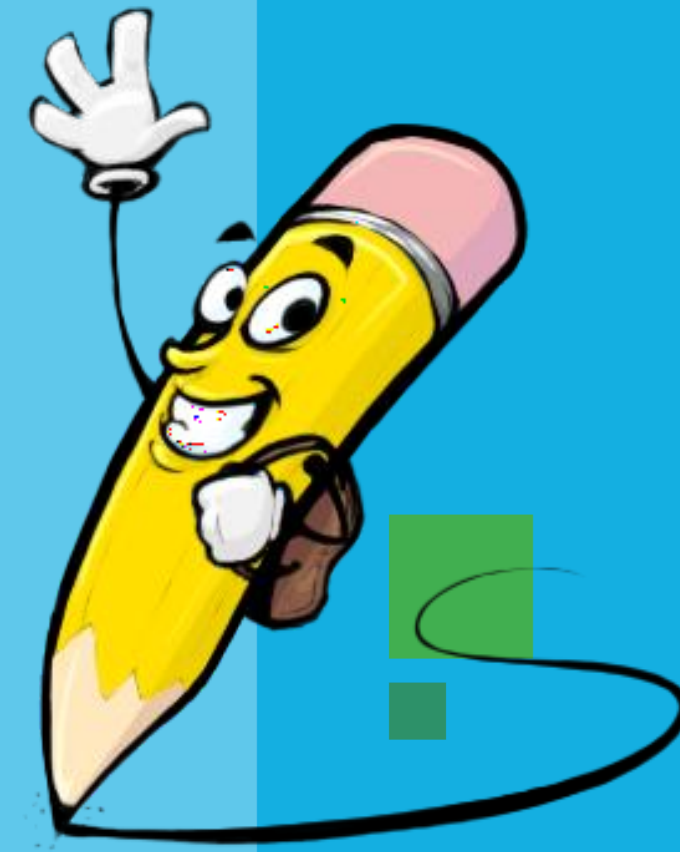

portfolio Content: (About, Skills, Portfolio, contact

Hero section : Animated Intro, type writer ,CTA

About Section: Background,, professional photo skills and Expertise: Web Developer and designing skills

portfolio Showcase : projects with Hover effect

Contact : interactive form

# WHO ARE THE END USERS?

- Students(academic project, Resume)
- collaborate(Investers, start-up partner
- fellow designer's and developers
- Potential Clients (Freelancers and Agencies)
- Employers/Technical Leads(house)
- Hiring Managers/Recruiters(common)

# TOOLS AND TECHNIQUES

- \*Html\*-For structuring the Contents
- \*Css\*-For Styling, animations, and responsive design
- \*Java script\*-For interactive and validation
- \*Dev Tools\*- visual studio code and code pen

# POTFOLIO DESIGN AND LAYOUT

- The *\*Home\**Page is Gives a Quick Introduction for My details
- The *\*About\**section details My background and interests
- The *\*skills\**And *\*project\**section highlights technical expertise and My practical work
- The *\*contact\**section Allow to communicate with me directly

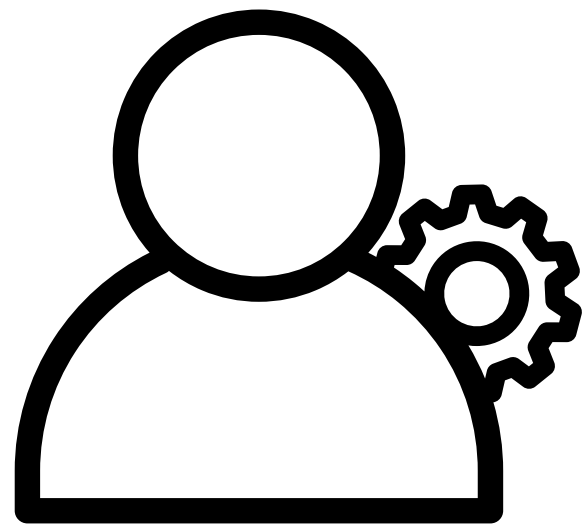

## Design Principles:

Colour palette : Gradient(Purple-Blue,pink-blue)  
Every page adapts to Mobile, Tablets and Desktop Screens  
structure : Fixed navigation,Full screen Hero, Responsive grids, Mobile-first approach

# FEATURES AND FUNCTIONALITY

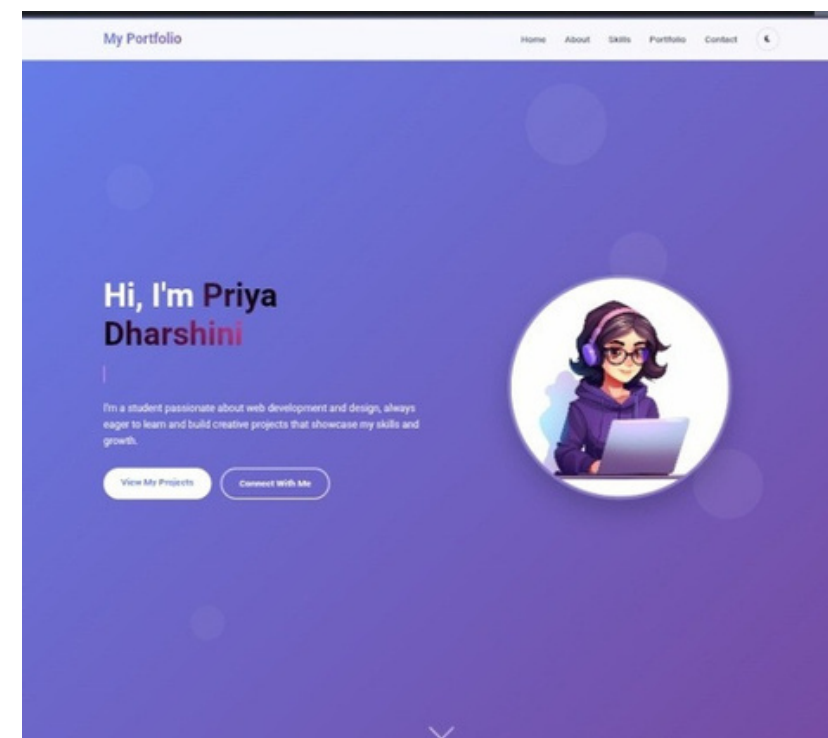

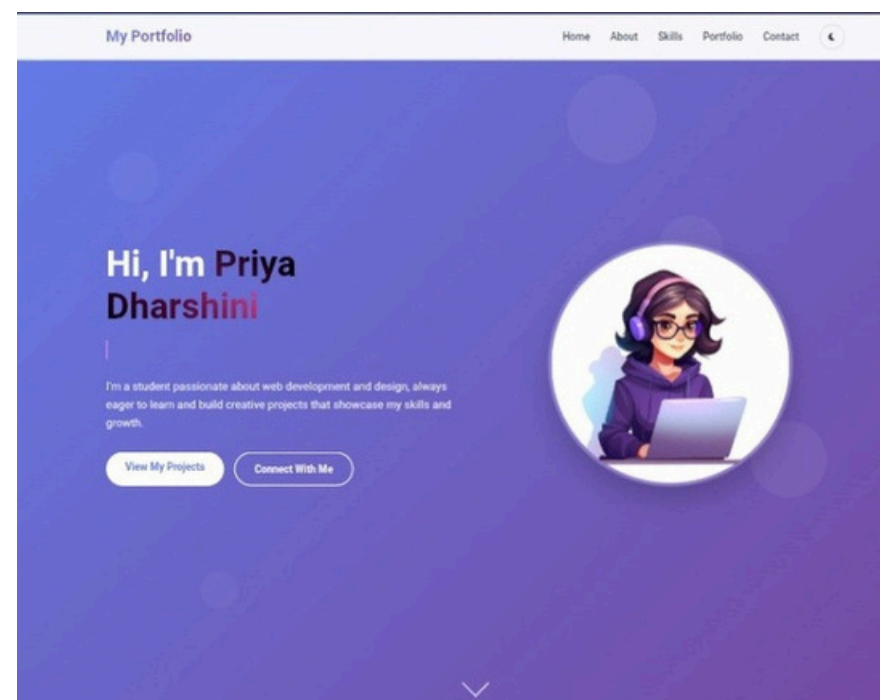

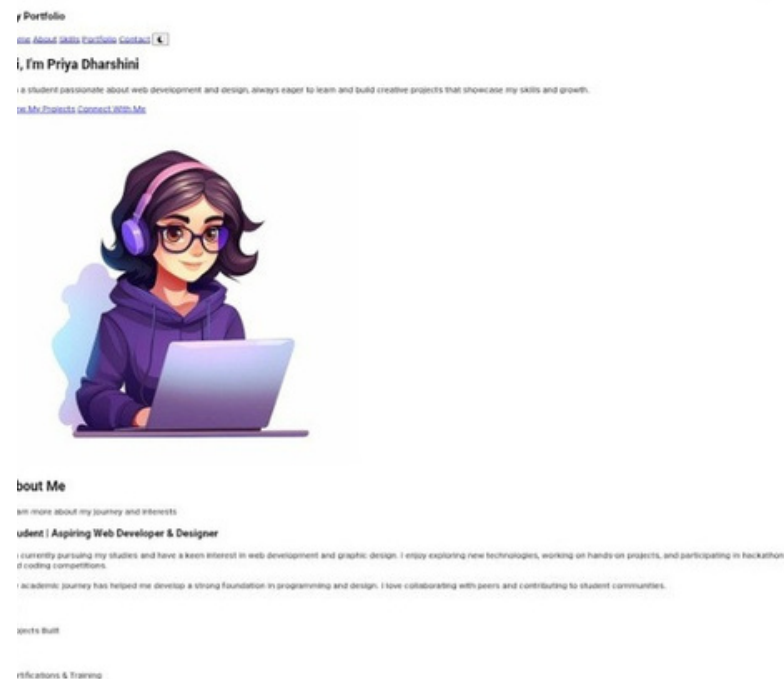

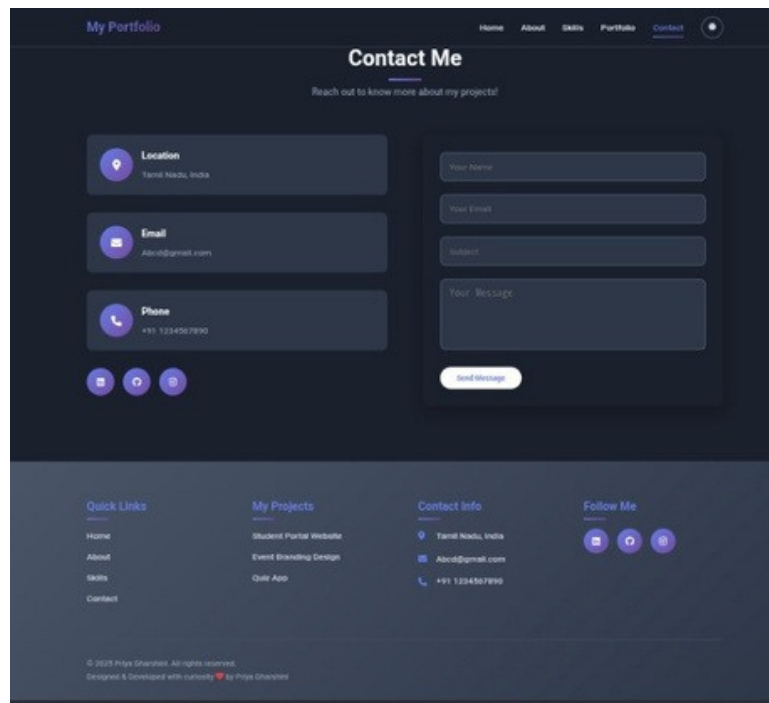

- \*Responsive navigation bar for smooth browsing.
- \*Projects showcased with descriptions.
- \*Contact form with validation to ensure proper entries.
- \*Hover effects and interactive animations.
- \*Smooth scrolling for better user experience

## Functionality

- >The website works efficiently across different screen sizes.
- >Navigation between sections is smooth and user-friendly.
- >JavaScript form validation prevents errors in submissions.
- >Interactive hover effects keep the site engaging.
- >Overall, it balances both functionality and design appeal.

# RESULTS AND SCREENSHOTS

My project :<https://codepen.io/Priya-Divya/pen/dPYgPeJ>

# CONCLUSION

This portfolio successfully represents my technical journey and skills.

It is a valuable step towards building my professional career.

In the future, I plan to add a blog section for updates.

I also aim to integrate a CMS and analytics for better tracking.

Overall, this project was a meaningful learning experience and a solid foundation for future growth.

**Thank you..!!**
